ARC INFRUITEC-NIETVOORBIJ “WARM HEARTS WINTER CAMPAIGN” 2016

The annual “warm hearts winter campaign” was introduced after the success of ARC Infruitec-Nietvoorbij’s Mandela Day project last year. The aptly themed corporate social responsibility campaign shows that employees of the Agricultural Research Council (ARC) are caring and compassionate.

Employees open their hearts (and wallets) and donate warm clothes and non-perishable goods in support of Pastor Anthony Otto’s soup kitchen at the Community Hall on the Nietvoorbij Farm.

Pastor Anthony of the Salt & Light Mission Ministry, took over the community hall in 2015 with members of the Nietvoorbij community assisting with cleaning the front premises of the building, cutting of grass and painting. The building is used for Sunday services, weekly prayer meetings and the feeding scheme (soup kitchen), which feeds a great portion of the community every week.

Should you also wish to contribute to this worthy cause, please contact Pastor Anthony on 060 338 6587.
