MATERIAL DEPOSITED IN PPRI

We would like to thank you for submitting material to the South African National Collection of Fungi (PPRI). The material will be incorporated into the collection.

Please provide us with the following information regarding the culture(s). Please indicate “unknown” if a specific entry is unavailable. It is crucial to have information as complete and accurate as possible.

Isolate number	
Fungus name	
Depositor/Collector	
Host/Substrate	
Locality	
Date collected	
Person who made the identification if not done by the PPRI	
Do you require PPRI numbers	
Reserve Culture	
Type status	

Please note: PPRI/PREM numbers will **NOT** be provided unless a pure, mite free culture/material has been deposited and collection data provided.
