

AGRICULTURAL RESEARCH COUNCIL

The first 3 columns ("Research Focus Area", "Area of Expertise" and "Commodity") can be filtered to refine your search.

Just click on the heading in the right corner of the highlighted area and select your preference from the drop-down that will appear.

<input type="checkbox"/> Research Focus Area ▾	Area of expertise ↑	Commodity	Core activities	Contact	E-Mail	Telephone number	Location
Small Grain	Cultivar Development	Wheat & oats	* Oats performance & wheat cultivar evaluation.	Mr Petrus Delport	delporpt@arc.agric.za	(021) 809 3552	Stellenbosch
Small Grain	Germplasm	Wheat, oats & barley	* Germplasm collection & mutation breeding.	Dr Eben von Well	vonwelle@arc.agric.za	(058) 307 3473	Bethlehem, Free-State
Small Grain	Molecular biology	Wheat & barley	* Marker assisted selection, molecular biology	Mr Timmy Baloyi	baloyit@arc.agric.za	(058) 307 3416	Bethlehem, Free-State
Small Grain	Pests and Diseases	Wheat	* Insect monitoring, insect surveys & biotype screening	Dr Astrid Jankielsohn	jankielsohna@arc.agric.za	(058) 307 3431	Bethlehem, Free-State
Small Grain	Pests and Diseases	Wheat	* Russian wheat aphid resistance evaluation.	Dr Vicki Tolmay	tolmayv@arc.agric.za	(058) 307 3433	Bethlehem, Free-State
Small Grain	Pests and Diseases	Wheat & barley	* Monitor moth and aphid flight patterns & forecasting outbreaks; * Early warning & modelling insect populations.	Dr Goddy Prinsloo	prinslooj@arc.agric.za	(058) 307 3435	Bethlehem, Free-State
Small Grain	Pests and Diseases	Wheat, oats & barley	* Fusarium Head Blight & Karnal Bunt.	Ms Nyiko Baloyi	baloyin@arc.agric.za	(058) 307 3434	Bethlehem, Free-State
Small Grain	Pests and Diseases	Wheat, oats & barley	* Rust diseases (stem, leaf and stripe rust)	Dr Tarekegn Terefe	terefet@arc.agric.za	(058) 307 3440	Bethlehem, Free-State
Small Grain	Plant breeding	Wheat	* Pre-basic and basic seed multiplication and certification	Dr Rorisang Patose	patoser@arc.agric.za	(058) 307 3430	Bethlehem, Free-State
Small Grain	Plant breeding	Wheat	* Spring wheat breeding (rainfed spring agrotype)	Dr Ian Heyns	heynsi@arc.agric.za	(021) 809 3554	Stellenbosch
Small Grain	Plant breeding	Wheat	* Winter wheat breeding (dryland)	Eben von Well	vonwelle@arc.agric.za	(058) 307 3473	Bethlehem, Free-State
Small Grain	Plant improvement	Wheat	* Wheat pre-breeding.	Dr Vicki Tolmay	tolmayv@arc.agric.za	(058) 307 3433	Bethlehem, Free-State
Small Grain	Quality control	Wheat	* Wheat Quality Laboratory	Ms Lientjie Visser	visserl@arc.agric.za	(058) 307 3414	Bethlehem, Free-State
Small Grain	Soil Science	Wheat, oats & barley	* Soil Laboratory, soil tillage, soil cultivation & conservation agriculture	Ms Lientjie Visser	visserl@arc.agric.za	(058) 307 3501	Bethlehem, Free-State
Small Grain	Weed science	Wheat & barley	* Weed identification & weed control information; * Adjuvant and molecular screening for target-site resistance; * Glasshouse screening for herbicide resistance; * Training on weed control.	Ms Hestia Nienaber	deweth@arc.agric.za	(058) 307 3420	Bethlehem, Free-State
